CINEMA STUDIES

[Field of Study Code : CNSH (902)]

Time Allowed : 3 hours

Maximum Marks : 100

Instructions :

1. All questions need to be answered.
2. **Part—A** has 20 marks each and **Part—B** has 30 marks each.

Based on your own research project, answer the following **four** questions.

PART—A

(Maximum Marks : 40)

1. Write an essay on your proposed research project, outlining briefly your research questions, and indicate how the main ideas will be developed in chapters.
2. Select three important theoretical texts from the field of film studies that have been foundational for your method of thinking about the proposed research project.

PART—B

(Maximum Marks : 60)

3. What is the intervention that you believe that your research will make in the field? Indicate why your research will be important and different from other work that already exists in the area.
4. Write an essay on the methodology that you hope to deploy in your project. Justify your selection of methods of investigation (e.g., fieldwork, archival, interviews, observation), as well as the materials, geographical sites, production, cultural and historical contexts, and demonstrate their significance for your project.
