The Petition reveals that the following credit facilities were sanctioned on 25-02-2013 to the Corporate Debtor by SVC Bank consortium wherein the Petitioner Bank is the consortium member :

Sr. No.	Facility	By TJSB (Petitioner Bank)	By SVC Bank
1.	CC Limit	60,00,000	3,90,00,000
2.	OBD Limit	—	1,00,00,000
3.	Term Loan 1	45,50,000	1,63,80,000
4.	Term Loan 2	90,00,000	75,55,000
5.	Term Loan 3	1,11,50,000	36,90,000
6.	Term Loan 4	50,00,000	1,77,81,000
7.	Term Loan 5	1,50,00,000	—
TOTAL		5,10,00,000	9,44,06,000

The Petitioner on 04-08-2015 issued recall notice to the Corporate Debtor under the provisions of Multistate Co-Operative Societies Act, 2002 and further issued SARFAESI notice on 29-03-2016.

The Corporate Debtor submitted that :

- (a) It is a medium enterprise as defined under the Micro, Small and Medium Enterprises Development Act, 2006 ('MSMED Act').
- (b) The declaration of the account of the Corporate Debtor as Non-Performing Asset ('NPA') w.e.f. 30-06-2015 is illegal, void and non-est as the same is in contravention of Regulations and Circulars issued by the Government, Reserve Bank of India, etc.
- (c) The claim of ₹ 6,38,78,417 as claimed in the Petition is not due and payable by the Corporate Debtor.

PBD

(3)

PBD**Marks**

- (d) The Corporate Debtor being a medium enterprise is statutorily recognised as extremely important for the national economy and certain rights are provided u/s 9 & 10 of MSMED Act.
- (e) The Corporate Debtor is entitled to request the consortium members including the Petitioner herein for restructuring the credit facilities as provided under RBI guidelines such as "Prudential guideline on restructuring of advances by banks" and "Guidelines for rehabilitation of sick, micro and small enterprises". The Central government has also notified the "Framework for revival and rehabilitation of micro, small and medium enterprises". Despite the request of the Corporate Debtor in the year 2014 and 2015 the Petitioner or any other Financial Institution has not made any attempts to restructure the facilities granted to the Corporate Debtor.
- (f) Consequent to the meeting of the District Level Sick Unit Rehabilitation Committee held on 15-03-2016 under the chairmanship of the District Collector of Kolhapur and the meeting convened by the Joint Director of Industries, Pune, the petitioner by necessary implications agreed to undertake the exercise of getting the requisite Eco-Techno viability report of the Corporate Debtor in order to assist the eligibility/entitlement for the purpose of availing the rehabilitation program but the petitioner failed to do that.
- (g) The issue of SARFAESI dated 29-03-2016 by the petitioner under section 13(2) of the SARFAESI Act, 2002 shows their high handedness in exploiting its dominant position vis-a-vis the Corporate Debtor.

The Corporate Debtor further contended that, the claim of the Petitioner is barred under Article 137 of the Limitation Act since whilst the date of alleged default was on 30-06-2015 i.e. the date on which the account was declared as Non-Performing Asset (NPA), the cause of action (i.e. the actual default) would have arisen much prior to the date of NPA. Hence, the period of limitation would run starting even prior to 30-06-2015 and since this Petition was filed on 23-08-2018 this Petition is barred by limitation.

PBD**P.T.O.**

(4)

PBD**Marks**

For the above contention of the Corporate Debtor, the Petitioner submitted that the loan was shown in the balance sheet of the Corporate Debtor which is an acknowledgement of liability and hence the debt is not barred by limitation. The Corporate Debtor has not disputed the fact that the loan was shown as a liability in the balance sheet of the Corporate Debtor.

The adjudicating authority having satisfied with the fact that the Corporate Debtor defaulted in making payment towards the liability to the petitioner, ruled that the petition deserves to be admitted under IBC 2016.

Another operational creditor, M/s. Wonder Bearings Limited, who underwent a corporate insolvency resolution process which got completed on 15-03-2016, filed a petition under IBC 2016 on 10-05-2017 with regard to its dues from Unimetal Castings amounting to ₹ 1,50,80,000.

The Petitioner "TJSB Sahakari Bank Limited" seeks your view on the various provisions of The Insolvency and Bankruptcy Code, 2016 with regard to above matter.

Part – B :

In another independent development various appeals were filed by the appellants/suppliers against the orders passed by the Hon'ble Competition Appellate Tribunal (hereinafter referred to as COMPAT) before the Hon'ble Supreme Court of India. The COMPAT, by the said judgment, has upheld the findings of the Competition Commission of India (for short, CCI) that the appellants/suppliers of Liquefied Petroleum Gas (LPG) Cylinders to the Indian Oil Corporation Ltd. (for short, IOCL) had indulged in cartelization, thereby influencing and rigging the prices, thus, violating the provisions of Section 3(3)(d) of the Competition Act, 2002 (for short, the Act).

PBD

(5)

PBD**Marks**

These suppliers have filed the instant appeals on the ground that there was no cartelization and they have not contravened the provisions of the Act. For the sake of convenience these suppliers will be referred to as the appellants hereinafter. We may point out at the outset that all these appellants are manufacturing gas cylinders of a particular specification having capacity of 14.2 kg. which are needed for use by the three oil companies in India, namely, IOCL, Bharat Petroleum Corporation Ltd. (BPCL) and Hindustan Petroleum Corporation Ltd. (HPCL) [all are public sector companies]. It is also a matter of record that apart from the aforesaid three companies there are no other buyers for these cylinders manufactured by the appellants. Insofar as IOCL is concerned, it is a leading market player in LPG as its market share is 48%. Thus, in case a particular manufacturer is not able to supply its cylinders to the aforesaid three companies, there is no other market for these cylinders and it may force that company to exit from its operations. The technical bid of the subject tender was opened on 3-3-2010 and the price bids of 50 qualified bidders were opened on 23-3-2010. According to the Director General, there was a similar pattern in the bids by all the 50 bidders who submitted price bids for various States. The bids of a large number of parties were exactly identical or near to identical for different States. The Director General had observed that there were strong indications of some sort of agreement and understanding amongst the bidders to manipulate the process of bidding.

As per the Director Generals report, the process of bidding followed by the IOCL in the tender was as under : –

- The bidders would submit their quotations with the bid documents.
- The existing bidders, who were existing suppliers, were required to submit the price bids and technical bids.
- The bidders were to quote for supplies in different States of India in keeping with their installed capacity.
- After price bids were opened the bidders were arranged according to the rates in the categories of L-1, L-2 and L-3.

PBD**P.T.O.**

(6)

PBD**Marks**

- The rates for the supplies in different States were approved after negotiations with L-1 bidder. In case the L-1 bidder could not supply a required number of cylinders in a particular State, the orders of supplies went to L-2 and also L-3 bidder or likewise depending upon the requirement in that State as per fixed formula provided in the bid documents.

The Director General after analyzing the bids came to the conclusion that there was not only a similarity of pattern in the price bids submitted by the 50 bidders for making supply to the IOCL but the bids of large number of parties were exactly identical or near to identical in different States. It was also found that bidders, who belonged to same group, might have submitted identical rates.

The similarity of the rates was found even in case of bidders whose factories and offices were not located at one and the same place in the States and where they were required to supply was far off from their factories located in different place.

The D.G. had found further that though the factors like market conditions and small number of companies were different, there was large scale collusion amongst the bidding parties. He also arrived at a finding to the effect that the LPG Cylinder Manufacturers had formed an Association in the name of Indian LPG Cylinders Manufacturers Association and the members were interacting through this Association and were using the same as a platform. The date for submitting the bids in the case of the concerned tender was 3-3-2010 and just two days prior to it, two meetings were held on 1st and 2nd March, 2010 in Hotel Sahara Star in Mumbai. As many as 19 parties took part and discussed the tender and, in all probability, prices were fixed there in collusion with each other. The D.G. reported that the bidders had agreed for allocation of territories, e.g., the bidders who quoted the bids for Western India had not generally quoted for Eastern India and that largely the bidders who quoted the lowest in the group in Northern India,

PBD

(7)

PBD**Marks**

had not quoted generally in Southern India. The D.G. also concluded that this behaviour created entry barrier and that there was no accrual of benefits of consumers nor were there any plus factors like improved production or distribution of the goods or the provision of services.

Ultimately, the D.G. came to the conclusion that there was a cartel like behaviour on the part of the bidders and that the factors necessary for the formation of cartel existed in the instant case. It was also found that there was certainly a ground to hold concerted action on the part of the bidders. The D.G. had also noted that the rates quoted for the year 2009-10 and in years previous to that were also identical in some cases. Thus, he came to the conclusion that the bids for the year 2010-11 had been manipulated by 50 participating bidders. It was thereafter that the CCI decided to supply the D.G.s investigation report to the concerned parties and invite their objections.

The Director General seeks your advice in light of Petition filed before the Hon'ble Supreme Court of India against the order passed by the Hon'ble Competition Appellate Tribunal.

Visio India Private Limited (Visio) is an upcoming watch manufacturing company and is based in Vishakapatnam. The Company was started during the year 2008 by Mr. Srinivas Kumar and his wife, Ms. Kruthi who is a Chartered Accountant.

In order to meet their expanding operations in Delhi, Visio had in the month of January 2014 pre-booked a commercial office unit of approximately 1200 sq.ft. with M/s JV Realty Limited, a leading developer in that area in their “SAPPHIRE COURT” Greater Noida project launched then by paying an amount of ₹ 25,00,000 as booking amount (50% of the total consideration) but no Builder-Buyer agreement was entered into between the parties except that an allotment letter was issued by the developer mentioning the unit details. This project was being developed over an area of approximately 15,000 square meters and having over 100 office units in its plan outlay.

Visio had paid almost 90% of the entire cost of the property based upon percentage of completion (progress) of the stage of construction as of April 2017 but the developer had failed to provide neither possession nor had completed the project and was also not responding to their complaints on one pretext or the other.

The legal counsel of Visio, Mr. Aswin Nakshatra, in the month of May, 2017 informed Ms. Kruthi about Real Estate (Regulation and Development) Act, 2016 (for short “the RERA”). He further informed that RERA was enacted by the Parliament as Act 16 of 2016 in the year 2016 and by May 1, 2017, all 92 provisions of the Real Estate (Regulation and Development) Act, 2016 (RERA or the Act) were brought into force. The Act has introduced new obligations on real estate developers and in cases of default, prescribes penal liabilities and Visio can contemplate bringing a legal suit against the developers under RERA.

JV Realty on the other hand is of the view that RERA is not applicable to this project as the same was launched and construction commenced much before the RERA came into force.

One of the group companies of JV Realty, Good Looking Homes Private Limited (GLHPL) was into construction of high rise apartment complexes and commenced a large project "Kailash Giri Views" in Vizag.

GLHPL took all the approvals under RERA and came up with the marketing strategy including a brochure of 94 pages consisting of various pictures showing the following features included in the project :

- (a) Balcony at each floor.
- (b) Drawing room to be constructed with designed tiles at floor.
- (c) Italic Marble at bedroom.
- (d) Granite at kitchen.
- (e) Swimming pool at the top floor.
- (f) All rooms to be Centrally Air-conditioned.
- (g) All floors and lifts will have CCTV camera.
- (h) Open parking slot for one car.
- (i) Ground covering Net for Cricket and Football.
- (j) Handover of the apartments within 36 months from date of agreement.

It was also mentioned in the marketing brochure that the building will have 9 floors with elevators and stair case and the total number of flats to be constructed would be 218 as approved by RERA.

For the purpose of various projects, JV Realty had obtained several loans from banks and financial institutions and there were certain allegations that some of the loan funds were siphoned off by the promoters of JV Realty for other purposes. In five different cases, banks and financial institutions had granted credit facilities against hypothecation / charge over certain assets. In each of these cases, JV Realty was charged under certain provisions of the PMLA (for offences under paragraph 2 of Part A of the Schedule) and orders were passed for attachment of properties charged to banks and financial institutions affecting their vested rights under other statutes such as Recovery of Debts and Bankruptcy Act (RDBA), Securitization and Reconstruction of Financial Assets and Enforcement of Securities Interest Act (SARFAESI) and Insolvency and Bankruptcy Code (IBC).

PBD**P.T.O.**

(12)

PBD**Marks**

The adjudicating authority is of the view that :

- The provisions of PMLA prevail over RDBA, SARFAESI and IBC
- It is not only a “tainted property” that is to say a property acquired or obtained, directly or indirectly, from proceeds of criminal activity constituting a scheduled offence which can be attached, but also any other asset or property of equivalent value of the offender of money-laundering which has a link or nexus with the offence (or offender) of money-laundering.
- If the “tainted property” is not traceable, or cannot be reached, or to the extent found is deficient, any other asset of the person accused or charged under PMLA can be attached provided it is near or equivalent in value, the order of confiscation being restricted to take over by the government of illicit gains of crime.
- An order of attachment under PMLA is not illegal only because a secured creditor has a prior secured interest in the property, within the meaning of the expressions used in RDBA and SARFAESI. Similarly, mere issuance of an order of attachment under PMLA does not render illegal a prior charge of a secured creditor, the claim of the latter for release from PMLA attachment being dependent on its bonafides.
- In case of secured creditor pursuing enforcement of “security interest” in the property sought to be attached under PMLA, such secured creditor having initiated action for enforcement prior to the order of attachment under PMLA, the directions of such attachment under PMLA shall be valid and operative subject to satisfaction of the charge of such third party and restricted to such part of the value of the property as is in excess of the claim of the said third party.
- If the order confirming the attachment has attained finality or if the order of confiscation has been passed or if the trial of a case under Section 4 of the PMLA has commenced, the claim of a party asserting to have acted bonafide or having legitimate interest in the nature mentioned above will be inquired into and adjudicated upon only by the special court.

During the course of Kailash Giri View project, it was observed that whilst the construction was for 9 floors, the total flats constructed were 225 due to efficient realignment of the blocks and square feet area of the individual apartments. It was also observed that due to unavoidable reasons, the swimming pool could only be made at the ground floor only and would be allowed to those occupants only who will specifically pay for the swimming pool facility. On completion of 34 months, GLHPL sent an email to all allottees that due to unforeseen circumstances the project is getting delayed by 6 months as the structure is almost complete and the work related to interior, plastering, plumbing etc., will be completed very soon.

Answer the following questions :

- 2.1 Which of the following is not a condition to be fulfilled for attachment of the property of JV Realty for alleged offences under the PMLA ? **2**
- (A) Approval of the Special Court for the attachment;
- (B) Submission of report to a Magistrate under Section 173 of the Code of Criminal Procedures;
- (C) Filing of compliant for taking cognizance of the scheduled offence;
- (D) None of the options.
- 2.2 What is the punishment which Mr. Bala Ganesh, the managing director of JV Realty is liable for under PMLA ? **2**
- (A) No punishment, since the offence was not performed personally by him;

- (A) 15 days (B) 60 days
(C) 30 days (D) 7 days
- 2.4 JV Realty has decided to charge an amount of ₹ 5,00,000 on Visio for an open car parking. Ms. Kruthi is of the view that JV Realty cannot charge this amount since this is not mentioned in the original agreement **2**
- (A) Yes, this cannot be charged since this is not mentioned in the original agreement between Visio and JV Realty;
(B) Yes, this cannot be charged since JV Realty cannot charge for open car parking under RERA;
(C) No, this can be charged since the requirement for non-charging for open car park under RERA is only for residential complexes and is not applicable for commercial office space;
(D) This is purely based on mutual agreement between both parties.

CASE STUDY – 3

The eastern part of India is very well known for the production of tea and it is exported world over. However, the large amount of pendency of the payments by tea mills to tea producers has been a cause of worry and it was decided that a common platform is an essential requirement to provide solution to this problem. Accordingly, the Eastern Produce Co-operative Society was formed to ensure the timely collection of sale proceeds from mills. The Society developed a charter, in form of memorandum for its members, to regulate and control supply, price, term of sales collection of sale proceeds and recovery if required. This memorandum is binding on all the members of the Society.

The Society extends the support to growers, by giving them offer to sell their entire farm produce to Society at mutually agreed price; which the Society will further sale to mills. But the farmers who avail this facility have to necessarily sell the entire farm produce to the Society, and the farmer cannot sell any portion of his farm produce directly in the open market.

Further, in order to trade with the mills, deal with regulatory authorities, and financial institution, the Society decided to promote a Company named Eastern Limited. The extracts from latest audited financial statements of Eastern Limited are as follows;

Sr. No.	Particular	Amount (in ₹ crores)
1.	Proceed (Net of taxes) from sale	3,500
2.	Operating assets	700
3.	Paid-up share capital	490
4.	Net profit	100

With passage of time, Eastern Limited became the big hit, for the role it plays as an intermediary and in incredible transformation in process of sale of tea by farmers.

Mr. Gaurav who is CEO of Eastern limited, heard about forward integration as method of expansion and growth strategy. Mr. Gaurav prepared a proposal, which was duly approved by Board of Directors and then by the members of Eastern Limited company to takeover Eastern Tea Limited, by acquiring controlling stake from open market. Eastern Tea Limited is in the business of running tea mills, with a global presence. Mr. Gaurav's wife, Ms. Sheetal, was residing in Singapore and Mr. Gaurav wanted to send an amount of USD 20,000 per month to her for her maintenance. However, the CFO of Eastern Limited mentioned to him that this is not in accordance with FEMA.

Around 60% of sales by Eastern Tea Limited constitute exports of tea majorly to Iran. One year back Eastern Tea Limited opened one branch office in Iran, as Iran starts buying tea from India, in order to settle trade balance; because Iran is blocked from the global financial system; including using U.S. dollars to transact its oil sales. On such branch office, during last financial year, an amount of ₹ 150 crores were incurred as expenditure for the Branch through the EEFC account maintained by Eastern Tea Limited.

For last financial year, the turnover of Eastern Tea Limited was recorded at ₹ 1,200 crores, which was ₹ 110 crores more than year earlier to last financial year; whereas operating assets as on reporting date were ₹ 280 crores. The paid-up share capital was ₹ 130 crores. After acquisition both the entities were not merged, and both kept their respective separate identity.

For the purpose of enhancing its global sales, Eastern Tea decided to pay commission for exports of tea under the Rupee State Credit Route at 6% of invoice value. Further, Eastern Tea also decided to send a gift hamper to its 20 top distributors totaling to a value of USD 1,00,000 (INR 70 lakhs).

Eastern Tea Limited has strong domestic Network or tie-up with retail shops and stores through which they sale their tea under brand name 'leaf' which constitute around 40% of sale. Such retail shops and stores are provided with instruction not to charge the price more than what is suggested by Eastern Tea Limited although lower prices can be charged and specific jurisdiction is given to each retailer for resale.

According to Mr. Saurabh, who is head of marketing at Eastern Limited, also now look after marketing at Eastern Tea Limited, in order to acquire substantial market share (in term of new customers), Eastern Tea Limited has to sell tea at the prices lower than cost. Ignoring the resistance from the governing body of Eastern Tea Limited, the new pricing policy implemented. Resultantly price

decreased from ₹ 150 per kilogram to ₹ 130 per kilogram. But in order to restrict loss, on account of selling tea at price lower than cost, Eastern Tea Limited asked all the shopkeepers and stores, not to sell more than 5 kg of leaf tea to a customer.

The Eastern Produce Co-operative Society promoted another company named South Limited, whose object clause includes; provide weather research and forecast reports, other necessary technical knowledge or guidance to members of parent's society apart from conducting market research for Eastern Limited.

In one market research conducted by South Limited, it was found that North Limited, which holds major market share (around 30%) in retail packed tea under brand name 'Taste' (Price of which is ₹ 150 per kilogram). For latest financial year, the turnover of North Limited is recorded at ₹ 3,000 crores whereas operating assets are of ₹ 570 crores and paid-up share capital is ₹ 365 crores. Since acquisition of Eastern Tea limited by Eastern Tea Limited, remains largely successful, hence showing trust in un-organic growth, a bear-hug letter was sent to senior management of North Limited.

Since North Limited is already undisputed market leader, they refuse the bear hug offer. Eastern Limited with help of South Limited performs a hostile acquisition and both the companies acquire around 25.5% stake in voting rights each; by tender notice over the stock exchange. Post acquisitions of North Limited, Eastern Limited got the dominance over the market. Hence Eastern Limited decided to re-price their product which is renamed also 'Taste leaf' with a new price of ₹ 155 per Kilogram and to support the price rise, Eastern Limited also started restricting supply in the end market.

Eastern Limited also entered in memorandum of understanding with West offshore Limited, which is \$ 21 million (assets base) company for transfer of technology.

PBD**Marks****CASE STUDY – 4**

Mr. Zebra is a real estate mogul who has developed and constructed several apartment complexes in Mumbai through his real estate company Delight Homes Private Limited (DHPL) which was into the business of construction of residential premises. In May 2019, Zebra proposed to start a new residential project named “Delight Morning Dews”. The project plan constituted 50 apartments with a mix of both 3 BHK and 2 BHK apartments. DHPL ensured that the sanction plan etc. was approved appropriately under RERA.

DHPL devised the advertisement and marketing content for the project so it can be splashed across the national and local newspapers and television channels. Mr. Zebra was of the view that the project need not be highlighted in the website of the regulatory authority since the same does not get a lot of views from the prospective customers and it is more efficient to reach the customer directly through social media/television platforms. Further, to ensure more customers are attracted, DHPL started the commercial marketing before applying for the registration of the project under RERA.

DHPL also incorporated a subsidiary, Delight Interiors and Consultancy Private Limited (DICPL) in India for engaging in the business of providing consultancy services on interior designing etc. Mr. Zebra made his only daughter Ms. Rekha as the managing director of DICPL. Rekha completed her masters in interior design in the London School of Design and had her own design studio in London, which got her critical acclaim in the art and design society. DICPL became a huge hit based on the proof of concepts it delivered in the London School of Design and got many orders from customers located in the UK.

In the agreement to sale entered into with the allottees, DHPL did not specify the stage-wise time schedule of the completion of the project, including the provisions for civic infrastructure like water sanitation & electricity. Also, DHPL did not include any terms with regard to cancellation of allotment etc. in the

PBD**P.T.O.**

(22)

PBD**Marks**

agreement. These clauses were not insisted by the allottees since they were more than eager to buy their apartments and DHPL did not see any reason to amend these agreements at a later date.

During the process of construction, DHPL intended to transfer the project another real estate construction company, Value Homes Private Limited (VHPL) through an assignment agreement. No approval from the allottees or regulator was considered necessary since the agreement made it clear that VHPL will take over all obligations of DHPL and there will not be any difference for the regulator or the allottees in terms of the quality of constructions or timing of delivery.

One of the customers of DICPL was interested in investing in the share capital of DHPL if the same is allowed by the provisions of FEMA. However, Mr. Zebra indicated to him that FEMA prohibits a person resident outside India to make investment in a company involved in real estate business. However, Ms. Rekha believes that the customer can invest as long as the money is paid directly to the bank account of DICPL through the normal banking channel and the FIRC clearly denotes that this is for the purpose of equity investment into DICPL.

DICPL entered into various contracts to provide consultancy services to real estate companies. Due to a downturn in the demand for real estate in the U.K. due to Brexit, some of its customers faced a lot of difficulty in making payments to their suppliers and DICPL had invoices outstanding amounting to GBP 2 million for more than 2 years (which include GBP 5,00,000 outstanding for more than 3 years).

For the purpose of construction, VHPL decided to import certain raw materials such as PVC boards and light fittings from China for a value of USD 10,00,000. VHPL paid an amount of USD 80,000 on receipt of the products and decided to hold back the balance USD 20,000 for a period of 1 year to ensure satisfactory performance of the products. The Authorised Dealer is of the view that this is not in accordance with the requirements of FEMA.

PBD

Out of the 50 apartments, VHPL decided to retain the title to 10 of the apartments and entered into a "lease" agreement with the allottees for a period of 99 years. The consideration for the lease was 95% of the consideration for an outright sale (along with stamp duty to be paid by the allottees) and the lease allottees were required to pay ₹ 1,000 per month as rent with maintenance charges at actuals (in line with what was to be paid by the other apartment owners). VHPL was of the view that these agreements are outside the purview of RERA since there is no sale involved.

Answer the following questions :

- 4.1 A branch set and controlled by DICPL located in the U.K. will be considered as : **2**
- (A) Resident in India;
 - (B) Resident outside India;
 - (C) Resident in India, if funds are remitted back by the Branch to India on annual basis;
 - (D) Resident outside India if significant portion of its funds are directly received from its customers located outside India.
- 4.2 One of DICPL's customers visits India and during the visit, pays an amount of USD 2,000 which was owed by the customer through cash. Is this a permissible transaction under FEMA ? **2**
- (A) Yes, this is money rightfully owed to DICPL and money was received in foreign exchange;
 - (B) No, unless DICPL had a money changer's license to accept foreign currency;
 - (C) No, unless DICPL obtain prior approval of the Reserve Bank of India for such transaction;
 - (D) Yes, as long as DICPL deposits the money in its bank account.

- 4.3 An advertisement in the Guardian Newspaper (London edition) by DICPL for an amount of GBP 20,000 requires the permission of : **2**
- (A) the Central Government;
 - (B) the Board of Directors of DICPL;
 - (C) the Ministry of Finance, Department of Economic Affairs;
 - (D) the authorized dealer.
- 4.4 Evaluate Mr. Zebra's contention that the customer of DICPL cannot invest in DHPL. **2**
- (A) The customer can invest in DHPL since DHPL, although a real estate company, is involved in the construction of residential premises only;
 - (B) The customer cannot invest – Mr. Zebra is right in pointing out that FEMA prohibits investment by a person resident outside India in real estate activities;
 - (C) The customer can invest with the prior approval of the Reserve Bank of India;
 - (D) The customer can invest since the FIRC indicates that the money is for investment in equity capital and has come through the normal banking channel.
- 4.5 The allottees who obtained the apartments under Lease seek your guidance on whether those apartments would fall within the purview of RERA? **2**
- (A) No, since there is no sale transaction and transfer of title to the allottee and therefore it will not fall under RERA;
 - (B) Yes, this would be covered under RERA since substantial portion of the consideration is paid and the lessee is also responsible for paying stamp duty, maintenance etc.;
 - (C) No, since the entire sale consideration is not paid upfront and the lease is for 99 years only;
 - (D) Yes, since VHPL and DHPL are registered promoters under RERA.

CASE STUDY – 5

Mr. Rohit Writer is a well-known industrialist based in Pune, India and is the founder director of M/s. Good Phones Private Limited (Good Phones), a fixed line and mobile phone manufacturer. Good Phone is one of the largest telephone companies in India and its products are much sought after in India and abroad. Mr. Rohit visits various countries as part of his business travels and during these visits he spends significant time in Philanthropic activities and social gatherings and because of this, he is quite well known in business circles globally. Mr. Rohit has a penchant for investing his money in buying various real estate property all over India and passed this trait on to his son, Mr. Rahul Writer as well. Mr. Rahul completed his MBA from Stanford University and is assisting Mr. Rohit in his business. Mr. Rohit also has a daughter, Ms. Sonali Writer, who studies Art in Italy and has opened her own Art Studio in Milan. Mr. Rohit is very proud of Sonali and supports her financially for her stay in Italy as well as expenses towards maintaining the studio.

The marketing department of Good Phones introduced various new models in the last couple of months with new technology such as 2 selfie cameras, faster processor and sleeker look. Good Phones expect these phones to be major attraction in the global markets due to attractive price range and therefore want to

promote these phones extensively on a global basis. For the purpose of advertisements, Good Phones engaged the services of Mr. David Smith, a prominent baseball player and Ms. Emma Drew, a Miss Universe winner and agreed to pay a 'guaranteed' fee of USD 5,00,000 each plus 10% bonus based on the sales of the new models in year 1.

Mr. Rohit sent 5 sample mobile phones and 5 fixed line phones to his dealers abroad (numbering 1000 dealers), clearly marked as not for sale and other promotional material such as brochures, 3D moulds for display in dealer shops etc. The value of the items was approximately INR 4 Crores. He also sent 1 mobile phone to each of his dealers as a token of gift and appreciation (total value of INR 0.50 Crores). Mr. Srinivas Rajan, the CFO of Good Phones indicated him that since these products have been sent free of cost and not for sale, these need not be included in the export declaration to be filed by Good Phones.

On 15th February, 2018, Good Phones made a large sale to one of the dealers M/s. Delayed Ringtone Enterprises, for USD 5 million and has received USD 2 million by 15th May, 2018 and did not receive the balance USD 3 million until 15th August, 2018, i.e. 6 months from the date of sale. After several reminders and threatening calls to stop further shipment, another USD 1 million was received on 10th October, 2018 and the balance remained outstanding as at 31st December, 2018.

Based on the success of Good Phones, Mr. Rohit incorporated a new company, M/s Stay Connected Private Limited, (Stay Connected) as Internet service provider and purchased a large consignment of networking equipment for providing internet operations through dedicated broadband lines along with a landline facility. This would then provide Mr. Rohit quite a few synergies with the existing Good Phone business and enable him to become an end to end Telecom Czar. Mr. Rohit held 60% stake in Stay Connected and the balance 40% was held by a foreign collaborator. Along with all the networking equipment, Stay Connected hired transponders from a company in Australia and paid AUD 10 million through its authorized dealer. Stay Connected also entered into an agreement with foreign collaborator (holding 40% stake) to pay royalty and technical fees for the support provided by them.

During his visit to Milan to meet Ms. Sonali, Mr. Rohit obtained EUR 10,000 from his Italian dealer for his use during his stay in Italy and instructed the dealer to reduce the sum from the payments to be made by the dealer for the supplies from Good Phones. Out of such funds, Mr. Rohit used EUR 5,000 towards purchasing sweepstakes tickets in Milan, Italy, unfortunately, he did not win any money in the sweepstakes event.

Mr. Rahul, after gaining experience in India, wanted the business in the U.A.E. (by establishing a subsidiary of Good Phones in the U.A.E.) and therefore decided to move to the U.A.E. along with his wife. For this purpose, he wanted to dispose off some of the properties owned by him in India. Accordingly, Mr. Rahul sold an apartment in Mumbai owned by him to Mr. Stuart Cooper, being an Overseas Citizen of India and a fellow student of his at Stanford University. Mr. Stuart Cooper was planning to come to India in the next couple of months to take up a job and therefore, wanted to secure a place for his stay. The remittance from Mr. Stuart was received in India through banking channels.

Mr. Rahul also sold a villa and his agricultural land in Pondicherry to Mr. Rajesh Subramaniam, his professor at Stanford, who was a person of Indian origin. The payment for the villa and agricultural land was paid by Mr. Rajesh (50%) from his FCNR account and the balance in USD traveller cheques, which will be of use to Mr. Rahul when he visits U.A.E.

After obtaining his U.S. visa, Mr. Rahul purchased a ranch (farm house) in Texas for USD 2 million, using USD 1.50 million from RFC account and USD 500,000 sent from his INR account through normal banking channels.

Mr. William Rutherford, one of Mr. Rohit's business acquaintances and a citizen of UAE, is very much interested in Indian culture and practices and therefore stays in India for 8 months (from April, 2018 to November, 2018) to attend an art of living course and to learn/practice yoga. William believes that he has been resident in India for more than the prescribed 182 days and therefore, is a resident in India under FEMA.

Mr. Rohit, in his penchant for purchasing various properties, zeroed in on an exclusive apartment complex in Bangalore having state-of-the art facilities. He purchased two 4-bedroom apartments costing INR 2 crores each, one in the name of Ms. Sonali and one in the name of Mr. Srinivas Rajan, since Mr. Rohit wanted Mr. Srinivas Rajan to feel happy and trusted. Both the apartments were given on rent to a large multinational bank and he received a rent of INR 0.20 Crores per year for each of the apartment in the bank accounts of Ms. Sonali and Mr. Srinivas Rajan respectively, after 4 years, Mr. Srinivas Rajan transferred the property back in the name of Mr. Rohit at zero consideration. Mr. Rohit also purchased a 3-bedroom apartment in the same complex in his name, jointly with his brother, Mr. Sunil Writer. The property (along with the stamp duty) was paid for by Mr. Rohit and was being used by Mr. Sunil for his stay though the property was pending registration due to Mr. Rohit's travel abroad.

Once the property was transferred back by Mr. Srinivas Rajan, Mr. Rohit wanted to sell the same to Mr. Arjun De Silva, a citizen of Sri Lanka. However, he was advised by Mr. Srinivas Rajan that Mr. Arjun De Silva cannot acquire property in India and therefore Mr. Rohit proposed to lease it to Mr. Arjun De Silva for a period of 20 years for an upfront consideration of INR 1 Crore and an annual rent of INR 8 Lacs payable in advance.

During the review of the bank reconciliation statements of Good Phones, Mr. Srinivas Rajan noted that an amount of INR 2 Crores had been received in one of the bank accounts without any details relating to the same. Mr. Srinivas Rajan informed this to Mr. Rohit and Mr. Srinivas Rajan suggested to Mr. Rohit to immediately transfer that money out of the bank of Good Phones to Mr. Rohit's personal bank account, so that the Company's bank account are cleared and there are no reconciling items, which Mr. Rohit agreed to. Out of INR 2 Crores, Mr. Rohit used INR 1.75 Crores for acquiring further 20% stake in Stay Connected from the foreign collaborator and balance INR 0.25 Crore for purchasing a stunning diamond set for his wife, Ms. Anjali Writer, as a gift for her 50th birthday.
