INSTRUCTIONS TO CANDIDATES

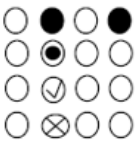

Read the following instructions carefully before you open the Question Booklet:

1. A separate OMR Answer sheet is supplied for writing the answers. Write down your Application Form No. and Roll Number on it as per your Admission Card and darken the appropriate circles on the answer sheet.
2. Do not write anything in this Booklet except the Roll No. However, you can use the blank pages provided for the rough work at the end of this Booklet.
3. Start answering when you are told to do so. Do not turn the pages before that.
4. **Check that Set Code (A, B, C or D) is printed on the Booklet and indicate your set code by blackening the appropriate circle in the OMR answer sheet.**
5. Answer all the questions. Each question has four probable answer of which one is correct. You have to choose the correct one and blacken your choice in the OMR answer sheet by a black/blue ball point pen. Use of pencil is not allowed. If your choice is second response, then answer like this.

Correct Method

Wrong Method

6. For wrong answer, there is no deduction of marks. One mark shall be awarded for each correct response.
7. **No mark will be awarded for a question if a candidate darkens more than one choice.**
8. Return the Answer sheet (OMR) only to the invigilator as soon as the final bell rings.
9. English version of the Question Paper will be considered as final if any dispute arises in the translated version.
