ART PAPER 3

Original Imaginative Composition in Colour

(Three hours)

This Paper is to be given to the candidate one week (seven days) in advance.

Supervising Examiners are requested to ensure that candidates write clearly, the number of the question and their Index Number and Unique ID on the top right-hand corner of the front surface of the paper. A small area in this corner should be kept clear of paint for this purpose.

Candidates must be instructed that ruling by any means whatsoever is forbidden.

*You are required to make an original composition based on one of the subjects given below. Bear in mind that the **quality of the composition, feeling and originality** are the main objects of this Paper.*

Before starting work, take note of the following instructions:

1. *You must, on no account, base your composition on any picture you have seen.*
 2. *Except for the number of the question and your Index Number and Unique ID you must not write anything on the front of the picture; however, you may write anything you wish to explain about your subject on the reverse of the Art sheet.*
 3. *Your picture should fill, or approximately fill, your sheet of paper.*
- The intended marks for questions or parts of questions are given in brackets [].*

Attempt any **one** of the following topics:

[100]

1. Young girls are skipping on the terrace of their apartment. While another is sitting on the side reading a book.
2. It is cloudy and drizzling. A man is roasting corn on the cob over an open fire beside the highway. His smiling son is rubbing lime juice and salt. It is a mouth-watering treat. Compose.

This paper consists of 2 printed pages.

3. After the day's hard work, a tired villager is going back home. On the way he stops to get his worn-out footwear repaired by a roadside cobbler. Depict.
4. A balloon seller is sitting on the beach. The colourful balloons are tied to a stone, gently dancing in the wind. Nearby a few children are excited searching, picking and collecting seashells.
