The Article 1 of the International Convention on the Elimination of All Forms of Racial Discrimination (entry in to force 1969) defines the term 'racial discrimination' as:

a) the term "racial discrimination" shall mean any distinction, exclusion, restriction or preference based on race, colour, descent, or national or ethnic origin which has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, of human rights and fundamental freedoms in the political, economic, social, cultural or any other field of public life.

b) the term "racial discrimination" shall mean any distinction, exclusion, restriction or preference based on race, religion, caste, or national or ethnic origin which has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, of human rights and fundamental freedoms in the political, economic, social, cultural or any other field of public life.

c) the term "racial discrimination" shall mean any distinction, inclusion, restriction or preference based on race, colour, caste, or national or ethnic origin which has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, of human dignity and fundamental rights in the political, economic, social, cultural or any other field of public life.

d) The term 'Racial discrimination' means that a person is treated less favourably than another person in a similar situation because of their race, colour, descent, national or ethnic origin or immigrant status.
