STORY WRITING FORMAT

Key Notes and Important Questions with Answers

STORY WRITING 10 MARKS

FORMAT

Story writing requires a lot of creativity and imagination

Some important points to be kept in mind while writing a story are :

- Think of a plot.
- Decide about the characters.
- Give a suitable title.
- Use simple, easy to understand language
- Write Short Sentences.
- Maintain coherence, i.e. your sentences should be logically connected.
- Try to bring out a moral or message in the end.
