ARTICLE WRITING FORMAT

Key Notes and Important Questions with Answers

ARTICLE WRITING 8 Marks

Article is a piece of writing that focuses on collection of ideas of the writer on a particular topic in an organised manner. It should give opinions and thoughts as well as facts. It is in a less formal style than a report. Following points should be kept in mind while writing an article.

- Provide a brief introduction to the topic
- Gradually move to description covering all aspects of the topic.
- Conclude the article with a suitable suggestion end, keeping in mind the points discussed in the main body.

FORMAT OF ARTICLE

TOPIC / TITLE

By: Name of the writer

Body (content)

I Paragraph – (Introduction)
30 - 40 words

II Paragraph – (Description) / Main Body
70 - 80 words

III Paragraph – (Conclusion)
