Q2 Is there a room in your house or a house in your neighbourhood/locality where you would rather not go alone, and never at night? If there is such a place and a story to go with it, let others hear all about it.

Answer. Yes, there is a house in our locality. It is a very old house. Nobody lives there. It is believed that a ghost lives there. The ghost is believed to be the spirit of the owner who died at his young age. Sometimes during night people hear strange noises and lights

coming from the house. Once I went inside the house during play. First I was very fearful, but after some time everything was normal. I don't feel what the people say is true.
