- (1) Where did the king see the woman ?
- (2) Why had the woman not joined the others ?
- (3) What did King George II not like ?
- (4) Write the word in the passage which means "servants".
- (5) Write the phrase in the passage which means "met".

Q-2 (D) Translate the following paragraph into your mother tongue :

- (1) School is a place where we are brought up mentally. It has contributed much more in moulding our career. Our eyes are filled with tears when we remember our school days. The memory of school life is a great treasure of pleasure for every grown up man and woman. It has enriched us morally, mentally, physically and socially.
- (2) A long walk early in the morning will keep you fit for the whole day. There is no exercise as useful as walking. If you want to keep healthy, you should take regular exercise. It is also necessary to eat good food. Milk is perhaps the best food for young boys and girls like you.
- (3) The borders of our country are in danger today but we should not be upset. Our brave soldiers are always ready to fight. The time has come again to forget all the differences and be united to work for the country. Let us all be united and show to the world that victory is ours.
- (4) Try to live peacefully with one another. If you love your neighbours they will love you. Take them as the precious member of a human family. All men are created equal. So follow the proverb "Live and let live".
- (5) English is used all over the world. It is called a window of the world. It is an international language. We find treasure of knowledge in English books. English is a very important language. We see a lot of English around us. By reading sign-boards, newspapers, and posters in English, we can enrich our knowledge of English.
- (6) Who do you think is responsible for pollution ? Have you ever thought in this direction ? Have you ever asked yourself how far you are contributing to pollution everyday ? Let's all try together to reduce it. If pollution is not controlled today, we'll find a greater number of people suffering from deadly diseases tomorrow.
- (7) You cannot think better without reading. Good thinking results from good reading. Reading newspaper or magazines of sports and films is not good reading. Good reading is that which makes you think. Reading intelligently is an art that everybody should learn and be benefited.
- (8) Self reliance is very important in life. We often rely on others for small things. If the fuse goes we send for an electrician but do not set the fuse ourselves. When our clothes are torn, we do not mend them ourselves. We do not even clean and polish our own shoes.
- (9) The sun is a huge mass of flaming gas, so big that it could easily swallow up hundred of earths like ours. If the sun went out, it would always be night and we should be in dense darkness. The sun gives us light and heat. we cannot live without the sun.

- (10) Modern life is full of problems. In the name of progress we have lost much. The aim of life is not merely to collect money. Most people live for money. Money is for us, we are not for money.
- (11) As the citizen of our nation, we have our rights. But we have our duties and responsibilities also. We cannot enjoy our rights and neglect our duties. Our first duty is to protect our freedom and work for the welfare of our people.
- (12) Think carefully before you do anything. Be friendly with all but do not make friends with every one. When you are sure that anyone is a true friend, make him your friend forever. Listen to what every one says but speak little yourself.
- (13) Have a complete understanding of traffic rules before driving your vehicles. Follow the traffic rules strictly. Drive to the left. Don't overtake from left side. If you neglect these rules, your life will be in danger.
- (14) A man's character is known by the books he reads. A good book is the best friend of a man. It lives with a man in his prosperity and his poverty. It amuses him in his youth and consoles him in his old age.
- (15) Man does not live for himself alone. He lives for the the good of others. Every one has his duties to perform the rich as well as the poor. To some, life is pleasure, to others suffering. But the best do not live for self enjoyment or even for fame.
